**SUMMARY OF THE REASONS FOR DECISION:**

The video recording entitled *So Pretty...* is classified as:  
Objectionable except if the availability of the publication is restricted to persons who have attained the age of 18 years.

The video recording mainly contains the feature of the same title, which explicitly depicts sexual activity between pairs of glamorous women and muscular men in five unrelated scenes. These scenes take place in opulent environments and are usually linked by brief sequences of one or two women caressing themselves or each other as they pose for the camera in the same or similar settings. The feature is identical to that originally examined in DVD format and classified by the Classification Office (OFLC Ref. 201241). The restricted classification, objectionable except if the availability of the publication is restricted to persons who have attained the age of 18 years, was registered in August 2002. The descriptive note 'Contains explicit sex scenes' was attached to the DVD.

In addition to the feature the video recording contains seven trailers previewing other explicit sex features and three notices. Although this additional content adds to the extent to which degrading sexual conduct is depicted, moderately degrading sexual conduct is still only depicted to a limited extent over the entire video recording and in sequences of brief duration. The classification originally given to the feature in DVD format is sufficient to prevent likely injury to the public good.
